How to Stop Strife

Nehemiah 5

SERIES BUILDING GOD'S HOUSE

As we come to chapter five in Nehemiah, we see the community is starting to self-destruct because of some festering problems between each other. This enemy (each other) is more difficult to deal with than the previous one. While the external enemies helped to rally the people, internal conflict threatened to divide and destroy them. Nehemiah has to put down his hard hat and turn his attention to the walls that were being put up between his workers. Nehemiah confronts the people and tells us what we can do to stop strife.
