PLANNING TO MAKE A DIFFERENCE
Nehemiah
SERIES MAKING A DIFFERENCE

Today we begin a new series on Making a Difference. So often we go throughout life without purpose or meaning wondering if what we do really matters. In this series we will look at people who made a difference, not necessarily by what they accomplished, but mostly by how they lived their life. God's plan for our life may not always be grandiose, but His plans have a purpose. Today we will look at Nehemiah and how he took steps to make a difference in his world.
